

List of Attendees

Academic Researchers (18)

Fred Schubert, Rensselaer Polytechnic Institute
George Wang, Sandia National Labs
Lorne Whitehead, University of British Columbia
Zetian Mi, McGill University
William Wong, University of Waterloo
Kirk Bevan, McGill University
Hong Guo, McGill University
Thomas Szkopek, McGill University
Richard Ares, Université de Sherbrooke
Vincent Aimez, Université de Sherbrooke
Lawrence Chen, McGill University
David Plant, McGill University
Pat Kambhampati, McGill University
Richard Leonelli, Université de Montréal
Carlos Silva, Université de Montréal
Gianluigi Botton, McMaster University
Ishiang Shih, McGill University
Guillaume Gervais, McGill University

Industrial Partners (21)

André Laperrière and Jocelyn Millette, HydroQuébec
Patrick Durand, Future Lighting Solutions
David J. Hastings and Frank A. Brandys, 3M Canada Nathalie Renaud and Marco Michele Sisto, INO
Jie Sun and Chris Hart, Leapfrog Lighting, Ottawa, ON
Scott Butcher, Meaglow Ltd., ON
Xuejun Zou and Gary Li, FPInnovations, QC
Eric Zhu and Leo Liu, NanoAcademic Technologies Inc.
Najeeb Khalid and Maks Wulkan, Escher-Grad Inc., QC
Vincent Fortin, C2MI – MiQro Innovation Collaborative Centre, Quebec
Philippe Lapierre, MSBi Valorisation Inc., Quebec
Jack Wu, JYS Technologies Inc.
Po Lau and Cindy Qiu, CIS Scientific Inc.
Sam Alesio, Tyco Electronics Canada, ON
Jessica Zhang, CMC Microsystems
Michel Chiasson, Director of Product Development, Silonex Inc., QC

Also from NSERC and McGill

Patrick Suter, Manager, Manufacturing, Communications, and Technologies Division, Research Partnerships Program, NSERC

Andrew Kirk, Interim Dean, Faculty of Engineering, McGill University
Showan N. Nazhat, Associate Dean, Research and Graduate Education, Faculty of Engineering,
McGill University
